Hi Terri,  
Letter looks good. I would keep the REVISED in the date, so we know there is a first letter floating around.

Diane –

Can you please review the attached and let me know if it contains appropriate language for CWA 303(c)(2) as it applies to the Se TMDLs?

Also, should the letter simply be re-dated or revised as I've done in the attached?

Thank you!

Terri
